Wayne Bank Employees Organize Fundraisers for Dessin Animal Shelter

Honesdale, PA – A few of Wayne Bank’s employees recently spearheaded two fundraisers in support of the Dessin Animal Shelter. Kori Williams came up with the ideas for the fundraisers and Corissa O’Malley assisted her with the implementation. The shelter recently received over 50 dogs on very short notice and the employees thought a few fundraisers to help them out would be a great idea and it certainly was a huge success! One fundraiser was open to the public and many customers and non-customers came by to “Stuff the Basket for Dessin”. All types of items were collected ranging from dog and cat food to towels, blankets, toys, shampoo and leashes, just to mention, a few of the types of items collected. The outreach area included the Honesdale Community Office of Wayne Bank, along with the Willow Avenue Office, Waymart, and the Hawley Community Offices, so the donations came from a large area of Wayne County. For the items donated by Wayne Bank’s audience, each person received an entry form for a chance to win a \$50 gift certificate to Tractor Supply Company of Honesdale.

In addition, a second fundraiser was organized for employees of Wayne Bank along with the assistance of Tractor Supply Company in Honesdale who offered a 10% discount off any bag of dog food purchased by employees for the Dessin Shelter. This fundraiser was called, “Lending a Paw, Food Raiser”. For each level of items purchased, the employees were given an entry form to enter a drawing to receive a paid day off complements of Wayne Bank.

According to Lew Critelli, President and CEO of Wayne Bank, “We are very proud of the employees who organized the fundraisers, and participated, as well as the generosity of our customers and the public who made the fundraisers a huge success! The donations filled a van

to capacity due to the generosity of so many good people in Wayne County and it was truly heart-warming.”
