### **Wayne Bank Holds Food Drive for Wayne County Food Pantry**

Honesdale, PA – Wayne Bank’s Honesdale Main Street Community Office recently held a food drive for the Wayne County Food Pantry. Nine boxes of pantry items were collected during the drive, which ran from November 24 through December 1.

The kickoff for the drive coincided with an Open House event that the Community Office hosted during Honesdale for the Holidays. Community members were encouraged to bring in pantry items and donors were gifted with a custom designed Honesdale ornament.

“We are thrilled to have collected nine boxes full of pantry items during this successful food drive,” stated Jill Hessling, Wayne Bank’s Honesdale Main Street Community Office Manager. “My staff and I wanted to give back to our local community during the holiday season and we thought that a food drive would be a wonderful way to help support those in need. The Wayne County Food Pantry is a vital local organization that is always in need of donations, and we are so pleased to be able to support their mission in this way.”

The Wayne County Pantry Program is sponsored through County Government and operates under a Board comprised of private citizens, who also coordinate each of the pantry sites. The Wayne County Pantry Program has five sites located in strategic areas of the County to serve eligible County residents, including Honesdale, Lakeville, Newfoundland, Lakewood, and Damascus. All donations stay in Wayne County and assist Wayne County residents. Donations of food, paper products, personal care items, and money to purchase foods are needed year-round.
