Wayne Bank Visa® Debit Cards Even More Convenient With MoneyPass Expansion

Honesdale, PA – Wayne Bank debit card customers will soon have surcharge-free ATM access at 8,000 7-Eleven store locations, an expansion of the MoneyPass network providing increased convenience and cost savings for Wayne Bank Visa® debit cardholders.

The MoneyPass network currently offers surcharge-free ATM access at over 25,000 ATMs nationwide. All Wayne Bank Visa® debit cards are part of this network, which means that cardholders can withdraw funds at participating MoneyPass ATMs without a surcharge. Cardholders are also able to make deposits at MoneyPass ATMs, without having to come into a Community Office. There is a user friendly website and a mobile app, allowing cardholders to enter in a zip code and locate the nearest MoneyPass ATMs.

Beginning August 20, 2017, and taking approximately six months to complete, this expansion will add over 8,000 7-Eleven store locations to the MoneyPass network. At completion, cardholders will have access to over 33,000 ATMs coast-to-coast.

“Wayne bank is committed to providing products and services that help our customers to save time and money,” explains Deposit Operations Officer, Kristine Malti. “Our MoneyPass enabled Visa® debit cards offer cardholders the convenience and flexibility of being able to locate surcharge-free ATMs wherever they are in the U.S.”
