## **Wayne Bank Relocates Clarks Summit Community Office**

Clarks Summit, PA – Wayne Bank’s Clarks Summit Community Office recently relocated to its brand new, state-of-the-art Community Office at 841 Northern Boulevard in Clarks Summit.

The newly constructed, 2,300 square-foot Community Office features all of the Bank’s current services, but in a more spacious and contemporary building. Improvements also include a larger and enhanced parking lot, along with easier access to the drive-thru banking lanes.

Wayne Bank’s Clarks Summit Community Office had occupied its previous location, down the street at 651 Northern Boulevard, since 1989. The Bank’s growth in the Clarks Summit market necessitated this relocation in order to provide its customers with a more expansive and modern office.

“We are thrilled to be in our brand new Community Office,” stated John Koczvara, Vice President, Clarks Summit Community Office Manager, and Business Development Officer for Wayne Bank. “This larger and more versatile space is allowing us to better service our customers and we invite everyone to stop by and see why. We have the same great products and services, the same

wonderful staff, and even some special features to celebrate our new office.

Give us a call for more information and please come and visit us in our beautiful new building!”
