Wayne Bank's Honesdale Main Office To Feature Steampunk ATM

Honesdale, PA – Wayne Bank will be transforming the ATM at their Honesdale Main Community Office location into a steampunk version for the upcoming town-wide event, “Steampunk Honesdale”.

Hosted by the Greater Honesdale Partnership, “Steampunk Honesdale” will take place in downtown Honesdale from Friday, July 21 to Saturday, July 22. This family friendly event will offer something for everyone, including special steampunk themed promotions from local businesses and even a steam powered train excursion. Steampunk is a style of design that combines historical elements, featuring steam-powered machinery, with modern technology inspired by science fiction.

Wayne Bank will host a steampunk themed Customer Appreciation event in the lobby of the Main Community Office, on both days, with refreshments, giveaways, and the custom steampunk ATM.

“We’re so excited to participate in ‘Steampunk Honesdale’,” stated Honesdale Community Office Manager, Jill Hessling. “We are really getting into this theme and are going to have a lot of fun in our lobby during the event. The

highlight will definitely be our steampunk ATM, it's going to be incredible and the perfect spot for a 'Steampunk Honesdale' photo op!"

For more information on Steampunk Honesdale, go to www.visithonesdalepa.com .

Wayne Bank is a subsidiary of Norwood Financial Corp., Member FDIC, and is located in Honesdale, Pennsylvania.
