**Wayne Bank Announces Continued Support of
Wayne County Public Libraries**

Honesdale, PA- Jim Donnelly, President and Chief Executive Officer of Wayne Bank, is pleased to announce Wayne Bank will once again support the Wayne Library Alliance (WLA), with a corporate donation through the Educational Improvement Tax Credit Program (EITC) of \$10,000.

The WLA is a central organization created to manage and coordinate operations and services between independent libraries for financial support and includes seven member libraries in Wayne County, PA.

The gift was made possible on behalf of the Educational Improvement Tax Credit Program offered by the Commonwealth of Pennsylvania, acting through the Department of Community and Economic Development.

According to Mr. Donnelly, “We are thrilled for the opportunity to continue donating to the Wayne Library Alliance through the EITC program this year. The

WLA is entirely dependent upon donations, as well as county and state funding, to provide their services to the libraries and patrons, which include educational programs and online services. We are honored to support its mission to provide accessible educational resources to our community. Our continued partnership reflects our dedication to investing in the future of our neighborhoods.”
