Wayne Bank Supports Greater Wyoming Valley Area YMCA

Honesdale, PA – Jim Donnelly, President and Chief Executive Officer of Wayne Bank, is pleased to announce that Wayne Bank has supported the Greater Wyoming Valley Area YMCA with a donation through the Educational Improvement Tax Credit Program.

This contribution is part of an ongoing commitment to supporting community organizations that foster growth, development, and inclusivity in our neighborhoods.

Lindsay Landis, Financial Development Professional, Greater Wyoming Valley Area YMCA, accepted a check in the amount of \$5,000 from Wayne Bank President and CEO, Jim Donnelly.

“We believe in the power of community and the importance of giving back,” stated Mr. Donnelly. “The YMCA’s mission to strengthen individuals and families aligns perfectly with our values. We are honored to support their efforts in making a lasting impact on the lives of so many in the Greater Wyoming Valley Area.”

The YMCA is a cause-driven organization that is geared towards youth development, healthy living, and social responsibility. They believe a strong community can only be achieved when we invest in our kids, our health, and our neighbors. They focus their work in three key areas which are nurturing the potential of kids, helping people live healthier, and supporting their neighbors.

It is the policy of the YMCA to provide Membership and Programs for all. This donation will help fund several critical YMCA programs, including youth development initiatives, wellness programs for families, and outreach services aimed at underserved communities. These programs play a vital role in empowering individuals of all ages and backgrounds, promoting healthy living, and ensuring that everyone has access to the resources they need to thrive.

The gift was made possible as a result of the Educational Improvement Tax Credit Program offered by the Commonwealth of Pennsylvania, acting through the Department of Community and Economic Development.
